

Dr. Gabe Villegas

Asst. Teaching Professor

Division of Life Sciences

Rutgers University

Date: January 20, 2026

To whom it may concern:

Jonathan Villegas was super great. Loved having him in class. He really wants to go to MIT and go into the PhD Biochem program. He took my 694:395 and got an $\{\{A\}\}$. He did this in Fall 2025.

Sincerely,

Dr. Gabe Villegas

Asst. Teaching Professor

Division of Life Sciences
