

Dr. Gabe Villegas

Asst. Teaching Professor

Division of Life Sciences

Rutgers University

Date: January 19, 2026

To whom it may concern:

Jonathan Villegas was super great. Loved having him in class. He really wants to go to Stanford, Rutgers, MIT and go into the PhD Biochemistry program. He took my 694:395 and got an {{A}}. He did this in Fall 2025.

Sincerely,

Dr. Gabe Villegas

Asst. Teaching Professor

Division of Life Sciences
